**Jennifer** After months of reading posts and researching, I finally scheduled my breast augmentation with Dr. Ted Eisenberg and I am soooo excited!!! He was so kind and took a lot of time to go over pics with me, so it just felt right. I have all of the confidence in the world in this guy.

**Christine** Dr. Eisenberg did my breast augmentation, too. He is a sweetheart and ALWAYS makes sure he has enough time for all your questions. I drove two hours to go to him. He and his staff were amazing.

### Amanda

I've been with my boyfriend for over a year now and he still doesn't know that I have implants because my breasts look so natural. He says my breasts are perfect. I just say thank you. I keep him guessing.

### Angela

I got married in May and as I reflect back on old photos, I can't imagine the old self-conscious flat-chested me wearing my strapless, sweetheart neckline wedding gown. My dress was perfect and I couldn't have worn it without Dr. Eisenberg's work. I can't thank him enough.
